In the next two weeks, one of the most important elections in SSU's history will be conducted on this campus. The issues on the ballot are:

1. University Senate election;
2. Quarter vs. Semester issue;
3. UFA Constitution amendment;
4. UFA Committee on Committees election.

Due to the importance of this election, the Committee on Committees feels that it is necessary to clarify some issues regarding the University Senate election beforehand.

1. Nomination:
  - a. Nominations for candidates for the Senate should be submitted to Dr. Zhanbo Yang no later than Friday, May 28.
  - b. In order to eliminate any possible confusion, an individual should only nominate him or herself. **NO ONE SHOULD NOMINATE HIM OR HERSELF FOR MORE THAN ONE COMMITTEE**, since each seat on a committee represents a senatorial position.
  - c. A nomination form is on the lower part of this page. An E-mail message confined to the same format is also acceptable as valid nomination, although the Committee on Committees will not be responsible for any mishandling due to technical reasons.
  - d. The assignment of one or two years terms will be determined by drawing lots conducted by the respective committees after the election.

In the memo soliciting candidate for the University Senate from the Committee on Committees, dated May 24, there is a little typo in the item 3. The Mathematics Department and The Natural Sciences Department are counted as one (1) instructional unit.

Sorry for the inconvenience.
